**AMENDMENT AFTER FINAL ACTION
PURSUANT TO 37 C.F.R. § 1.116**

Sir:

This Amendment is responsive to the Final Official Action of May 14, 2007. Please amend the above-identified application as indicated in the attached Listing of the Claims.

If any extension of time for the accompanying response or submission is required, Applicant requests that this be considered a petition therefor. The Commissioner is hereby authorized to charge any additional fee, which may be required, or credit any refund, to Deposit Account No. 50-0220.

Entry of this amendment and allowance of the present application is respectfully requested for the reasons set forth herein. In the alternative, the Applicant respectfully requests entry of this Amendment as narrowing issues for further consideration on appeal. No new issues have been raised because all amendments have been to amend independent claims to include recitations of dependent claims that previously depended therefrom, or to rewrite dependent claims in independent form.

Amendments to the claims are provided in the Listing of the Claims beginning at page 2 of this paper.

Remarks begin at page 9 of this paper.
